

## **Neighbourhood Development Plan Update**

### **Orcop Parish Council Meeting on 18<sup>th</sup> March 2020**

We would like to thank every Household who completed a Questionnaire. We offered an extended deadline in order to get a few more replies, and the responses will now be analysed by our Planning Consultant for a meeting with the Steering Group in April (date depending on the situation regarding the Corona virus) to discuss the results and to plan our next steps.

Housing Delivery is an important aspect which will require considerable investigation, and we would just like to bring to your attention there is an additional site submission which has been assessed and will be published on the Parish website. This was omitted from the AECOM Report.

All the additional residents' comments will be discussed in detail so that we have a clear picture of residents' hopes and visions for the future of Orcop.

We will arrange a public Presentation, probably delayed until late summer, to be hosted by our Planning Consultant, and we very much look forward to getting more input and questions from anyone who attends in order to make sure we are working towards an NDP which is truly representative.

Meanwhile any questions can be addressed to Mark Hearne, Orcop Parish Clerk, tel: 01981 251887 [clerk@orcopparishcouncil.org](mailto:clerk@orcopparishcouncil.org)

If you have any questions you are welcome to ask now or after the meeting.

Margaret Serle, Cllr.  
Chair, NDP Steering Group
